

Docket No.: FRON-10193  
Application No.: 10/823,476  
Amendment Date: February 13, 2007  
Reply of Office Action of: October 13, 2006

**Amendments to the Specification**

Examiner objects to the disclosure because the wrong application number is listed in paragraph 2, line 14. Applicant respectfully requests that the paragraph on page 2 between lines 12-15 be replaced with the marked-up replacement paragraph on the following page. Applicant believes that this change overcomes Examiner's objection to the disclosure and requests that this objection be withdrawn.
